

EDUCATIONAL INTERPRETERS COHORT PROGRAM

This 10-month program is designed for interpreters working in K-12 classroom settings throughout the state of Ohio. The program provides a statewide community support and networking forum, especially for interpreters with limited supports and professional development options.

Benefits:

- Peer conferencing
- 1:1 mentoring
- Resource sharing
- EIPA: Pre-hire Screening
- EIPA
- Leadership opportunities
- Support for educational teams and districts working with interpreters

Topics addressed:

- Understanding the Ohio Guidelines for Educational Interpreters
- Navigating State Licensure and IPDP
- Understanding the impacts of the IEP, ETR, and Audiogram
- Working within the educational system
- Ethical and professional decision making
- Technical interpreting skill
- Enhancing on-site support
