

OHIO

EDUCATIONAL INTERPRETER COHORT PROGRAM

This 8-month program is designed for interpreters working in K-12 classroom settings throughout the state of Ohio. The program provides a statewide community support and networking forum, especially for educational interpreters with limited supports professional development options.

Benefits include:

- Peer conferencing
- Tiered mentoring
- Resource sharing
- EIPA: Pre-hire Screening
- EIPA
- Leadership opportunities
- Support for educational teams and districts working with interpreters

Topics addressed:

- Understanding the Ohio Guidelines for Educational Interpreters and state licensure and IPDP
- Understanding the impacts of the IEP, ETR, and Audiogram
- Ethical and professional decision making
- Technical interpreting skill as assessed through the EIPA
- EIPA workshop series on the subjects of interpreting math class, understanding prosody, use of fingerspelling and numbers, and using the EIPA as a tool for professional development
